## A Brief History of the MAD Pin Collection

In late 1990, MAD publisher William Milder Furnessworth Higgenbottom Pious Gaines IX decreed that there should be an official MAD Pin Collection and ordered that famous artisans from around the world be contacted to see who would work the cheapest to create these objects of art!

*Unique in all of jewelry-making history, we broke the mold before we cast these pins!*

Each official MAD Pin is precision crafted by our chosen and is turned On and Off by hand!

Each official MAD Pin is precision crafted by our chosen and is turned On and Off by hand!

The official MAD Pin Collection smells like jewelry that costs thousands of dollars and can be mistaken for real gold at distances over 500 meters though at shorter distances they may be mistaken for a lot of other things!

These Pins will not be sold in any store—we know, we tried getting any store we could find to sell them and nobody would touch them!

Due to the special nature of this offer, the number of Official MAD Pins commissioned shall never exceed the demand! (In the event of a tie, all production will cease! That's our commitment to quality!)

These are the very same Pins that will be offered by us again and again and again in future issues of MAD Magazine!

An Important Reminder! Each Official MAD Pin is so valuable it will be personally delivered to your home by an official United States Government Employee, dressed like a nutman!

This offer is neither endorsed nor in any way connected to the Franklin Mint, Benjamin Franklin, Joe Franklin or Franklin Delano Roosevelt!

### READ MY (YECCHI) LIPS

Your cover of MAD #312 was a wonderful interpretation of the "outrage" of George Bush's talks in Japan. Instead of calling him the President of the United States, we should retile him the "Duke of Hurl!"

John Morales  
Redwood City, CA

Hmmm. Let's see...checking our official Lineage of Royalty chart, if George Bush is the Duke of Hurl, that would make his son Neal Bush the Viscount of Vomit!—Ed.

### BONEHEAD MAIL

Your page 48 memo "from the desk of William M. Gaines" in issue #312 says the MAD staff should never use the words idiots, morons, imbeciles, dolts and clods because they describe MAD readers and might alienate them. Well, we're MAD readers and we're none of those. We're boneheads! We would prefer this be put in "Bonehead Mail," not "Moron Mail!"

Nick Bevis  
Chris Egolf  
America, USA

Your wish is our command, morons!—Ed.

### MORON MAIL

I've been reading your trash for six years now. I can't stop! It's like you have some hypnotizing device in your magazines.

Jake Van Patten  
Eagan, MN

Jake—You've found us out! Yes, it's true. There's something in each issue that makes our readers' eyelids heavy like sandbags—that makes them drowsy and eventually lose consciousness—it's called "The Lighter Side Of..."—Ed.

### MAIL FROM PEOPLE IN NEW JERSEY

I am writing this letter on April 27th at 9:36 and 36 seconds, which means there are 2,084 days until the year 2000 or 50,016 hours until 2000 or 3,000,960 minutes until 2000 or 19,806,336 seconds until 2000. Just thought you would like to know that.

Philip Sletteland  
Kendall Park, NJ

So, you like math, eh? Well here's a puzzle we think you'll still be calculating well after the year 2000: How many days until you get a life?—Ed.

Soap gives me the willies.

Robert Boyd  
Lyndhurst, NJ

Robbo—No soap, radial!—Ed.

## THE FACE IS FAMILIAR

There's a real political outsider stirring up the Presidential Race this year... Alfred E. Neuman! That's why Esquire magazine chose to combine Alfred with George Bush on its June cover, while Texas Monthly's June issue cloned our grinning, go-toothed boy with H. Ross Perot (the big ears, however, are Ross's!). This double-whommy received media coverage from coast to coast, including an appearance by MAD's Editors on Entertainment Tonight! Oddly, the current Road and Track cover features an illustration that's half Bill Clinton, half Chevy Caprice! Go figure!

### "JOHNNY WARTER"

Regarding your "Johnny Warper" advertisement on the back page of issue #311, we commend you for bringing to our readers attention the significant negative consequences associated with alcohol use during pregnancy. Your contribution is appreciated, as is the message you present regarding the role advertisers have on women's drinking behaviors. Many women who abuse alcohol during pregnancy would cease such practice with education, treatment and support from our society.

Donna L. Nimec, M.D.  
Michele M. M. Mazzocco, Ph.D.  
Denver, CO

Lady doctors—Thanks for your kind words. Hey, why don't we get together after work? We can throw back a few shooters and chug some brew! Whaddya say?—Ed.

### A MAD LOVE STORY

My husband, Scot Burnell, has been reading MAD ever since he was hospitalized as a little boy. He says it was the only thing that put a smile on his face and ever since then he has been an avid fan and collector of MAD. I love him so much and would be so thankful if you could print this and allow me the pleasure of seeing his eyes light up when he reads it!

Lara Burnell  
Costa Mesa, CA

Okay, we'll print your letter, but we have one question for you: What the hell are you doing married to a little boy? Seriously, if you REALLY want to see your husband's eyes light up, we suggest the next time he comes home from the hospital, you greet him at the door wearing this issue of MAD and nothing else!—Dr. Ed.

### ROADS TO RUIN

Just thought I'd show you what I have to cross each day to get to town.

Wendy Franklin  
Blue Lake, CA

**BRUCE WAYNE'S WORLD DEPT.**

**1992 is shaping up to be a really miserable year! Our beloved President embarrasses every U.S. citizen by hurling all over the Japanese Prime Minister, Raul Julia is back on Broadway and Country Music continues to gain in popularity! And if all that weren't bad enough, now...**

I'm Danny DeVito—also known as **The Penicillin!** In this film I play a **half man/half bird!** The role was a snap for me since I had a **big advantage**—I was already **half man**!!!

I'm Michael Keaton—also known as **Buttman!** In my last film I was **romantically linked** with Vicky Vale! Unfortunately, I could not give her what she wanted and now she is **no longer with me!**

Tell me, sir, what was it that Miss Vale wanted from you? A **commitment?**

No, Neuman, I'm afraid she wanted a piece of the **gross profits** to appear in this sequel!

I'm Michelle Pfeiffer—also known as **Scatwoman!** In this film I whip Buttman's cute little buns all over **Gotham City!** Well, okay, in truth my stunt double whips his stunt double's cute little buns all over **Gotham City!**

That **Scatwoman** disguise is the most **transparent** one I've ever seen! Do they expect us to believe that people in **Gotham City** can't tell who she really is?

It's a disorder that afflicts people who live in **comic books!** It's the same **stigmatism** they have in **Metropolis** where they can't tell **Cluck Kent** is really **Sturpman** wearing glasses!

If all this **merchandise** was left over from the first **Buttman** movie, just think how much **crap** will be **remained** after this bomb!

It would have been a better movie if **Warner Brothers** had spent half as much time on **improving** the script as they did on **pushing** the **merchandise!**

Wasn't **Rappin'**, the **Boy Blunder**, supposed to be in this one? Well, he might be in a **Buttman** film soon!

How soon? As soon as **Macaulay Culkin** puts on enough **muscle** not to look **idiotic** in **Rappin's** outfit!

# BUTTMAN

## R E T U R N S

ARTIST: MORT DRUCKER

WRITER: STAN HART

Look at all this violence!

That concert isn't till next week, jerk!

You mean to go somewhere else?

We were expecting this! It happens at any Guns N' Roses concert where they have arena seating!

Then this is serious! Let's do what most cops do in cases like this!

Right!

Look! The sign from Commissioner Boredom! It means he needs Buttman!

It's strange that in this age of cellular phones, electronic mail and fax machines, he still uses this antiquated way of communicating with you!

If you think that's strange, what do you think of a grown man dressing up like a bat with a cumbersome cape and a mask that gets all sweaty inside, who fights crime without getting paid?

The word "putz" does come to mind!

My Buttmobile is fantastic! It can sprout wings, deploy razor sharp blades and launch deadly frisbees! But the most amazing thing about this totally dependable and efficient vehicle is that it was made by an American car company!

Well, Buttman, you did it again! You cleaned up Gotham City!

I don't want any thanks, Commissioner Boredom!

And you're not getting any! With you around, the citizens don't think they need cops and they keep cutting the department budget! You know how many policemen you've thrown out of work? You're a one-man recession!

I am known as the Penicillin! I was raised by penguins in the Antarctic after my parents abandoned me as a baby!

If he was raised by penguins, don't you wonder how he can speak English?

Not really! I know a guy who was raised by frogs and he can speak French!

You thought you could get rid of your old partner by cutting him up and flushing him down the toilet! But I live in the sewers and I see everything!

How can you live in the... ugh... sewers??

It's got its advantages! Like you don't have any neighbors to hassle you when you throw parties... and you don't have to worry about dieting because you never have an appetite from living down here with all this dreck! The only time it gets bad is when someone uses Liquid Plummer—that stuff really stings!

I'm not a **bad guy**. All I want is to find out who my **human** parents are! **Just once** I'd like to get a **nice** Christmas present from my folks, instead of the **dead**, **giftwrapped** fish my **penguin** parents always give me!

Gee, that gets you right in the heart!

Yeah! From now on I'm going to use a **better grade of toilet paper** to show him that I care!

These are my parents, **peacefully sleeping!**

Why are they so far apart?

That's how they slept when they were **alive!** They didn't want to take a chance of ever having another one of those!

**Extra!** Penicillin in **Gotham Globe** says, "I Forgive My Folks!"

"Love Is What It's All About," Bird Guy tells the **Daily News!**

Penicillin admits to **Supermarket Sun**, "I Never Slept With Bill Clinton!"

I love this publicity! By the way, except in the movies, when's the last time you saw a newsboy hawking papers on a street corner?

I know all about your **corrupt** scheme! You're going to build a **giant capacitor**, not a **power plant!** You're going to **store** energy, not produce it and therefore have the city at your mercy! What do you think would happen if the story got out?

Nothing would happen! The story is so **confusing** no one could possibly understand it! However, just to be on the **safe** side...

Dad, what are you doing?

I have a lot of difficulty telling employees that they're fired! This is an easier way!

But she's going to die!

Don't get all bent out of shape, son. She was only a temp!

I'll never again complain about the lousy job of snow removal that Gotham City's sanitation department does!

This cat is sweet to give me mouth-to-mouth resuscitation, but what am I supposed to do with this disgusting furball? Yeech!

It's time  
for me to  
emerge as  
Scatwoman!

I'll say it's  
time! This  
movie is one-  
third over!

How did you  
get so good  
at kicking  
the crap  
out of men?!

By accident! I meant  
to rent a Jane Fonda  
workout tape but I  
rented a Chuck Norris  
movie instead!

I want you to  
be elected next  
Mayor of Gotham  
City! To do it,  
we'll have to  
somehow make you  
look like a hero!

How about if I  
encourage these  
guys to arm them-  
selves and terrorize  
people, then I step  
in and make them stop?

Brilliant!  
Where did  
you get  
such a  
sick  
idea?!

From  
President  
Bush's  
policy  
towards  
Saddam  
Hussein!

Why  
are  
you  
trying  
to  
beat  
up on  
me?

To prove to  
the world that  
women are as  
rough and tough  
and mean as men!  
We're as good or  
as bad as you are!

How did  
you pick  
up that  
militant  
women's  
lib  
jargon?

By another  
accident!  
Instead of  
renting a  
Chuck Norris  
tape, I got  
Thelma and  
Louise instead!

YEOW!!!

Hey, sharing  
dialogue  
balloons is  
kinda sexy!

Scat-  
woman,  
your  
outfit  
is  
driving  
me  
crazy!

Forget it, it wouldn't fit  
you! Now, let's talk about  
getting rid of Buttman!

I can't keep my mind on  
what you're saying! Maybe you  
should slip into something  
more comfortable, like my bed!

No thanks, My head  
and feet would hang  
over the ends! Let's  
make Buttman the  
villain instead of  
the hero of Gotham!

Think it could work?

Sure! Didn't  
it  
work  
fine  
in  
Superman  
IV?!

PURRR...

I wonder how he would like making love feline style, in a neighbor's back yard???

I wonder how she would like making love bat style, upside down in a damp cave full of guano???

We must stop now or my injuries will reveal my secret identity!

If they don't stop sharing dialogue balloons soon, this movie gets an "R" rating!

Commissioner Boredom, you're quoted as saying that you suspect that Buttman is behind the kidnapping of The Lice Princess!

I'm not ruling that out as a possibility!

How can you say that? Buttman has been a hero for a long time!!

Yeah, but the Commissioner has been a schmuck for an even longer time!

We'll take this baby apart in no time!

You sure?

Trust me! When I was in New York, I ran the biggest chop shop in the city! It's the only growth industry the Big Apple has!

The Penicillin has rigged the Buttmobile! The car is out of control and I'm helpless to stop it!!!! Now I know how high school Drivers Ed. teachers feel!!!

Here's a list of all the first born in Gotham City! I'm going to kill every one of them!

Incredibly diabolical! How did you get an idea like that!

By accident! I went to rent a copy of *The Birds* but I picked up *The 10 Commandments* by mistake!

You're... You're Buttman!

I'm sorry you discovered my identity! People who learn my identity disappear like Icky Vale!

But Neuman knows your true identity and he's still around!

He's a better kisser than she was!

Either these kids have been captured by The Penicillin or it's the first day of a new school term!

What are you up to, Neuman?

Penicillin is about to make a speech! I'm going to interrupt his television signal so that nothing comes over!

Are you sure you can do it?

Positive! I did it all the time when I worked for a cable TV company!

Things don't always work out the way you hope! I wanted to have my name up in lights. Instead I get my tush up in lights!

I'm going under! I knew I should have started at the shallow end!

I haven't the heart to tell him this is the shallow end! Goodbye, Penicillin! We won't be seeing you again!

That's not my fault! If this script had been better, they might have brought me back for a sequel!

I feel empty and unfulfilled!

Hah, ha, ha, ha! I got my revenge at last!

I recognize that voice!

It was I, The Jerker, who wrote the terrible screenplay for this miserable movie! Die of embarrassment, Caped Crusader! Revenge is mine!!! HAH! HAH! HAH! HAH! HAH!

The Pump Shoe offers incredible benefits. No, not for your feet, silly—for the owners of the company that makes them! This product has single-handedly (or is it single-footedly?) pumped up sales and inflated the incomes of everyone selling them. But why should they be the only ones to swell their bank accounts? Why not expand the profits in various industries with...

# THE PUMP IDEA IN OTHER PRODUCTS

ARTIST AND WRITER: AL JAFFEE

## THE **PUMP** SHOE BEFORE IT IS PUMPED UP

The beauty of the **PUMP** SHOE is its utter simplicity. To prepare for the pumping process, all you have to do is find the circle marked "pump." (The raised arrow is for illiterates and the visually impaired.)

## THE **PUMP** SHOE AFTER IT IS PUMPED UP

After finding the circle marked "pump," it's simple to produce the **PUMP** SHOE effect. Using any convenient finger, push vigorously in and out until the desired level of comfort is reached.

**WARNING!**  
Do Not Overpump!

Manufacturer  
is not responsible  
for the horrors  
of  
an exploding  
shoe!

## THE PUMP SOCK

This idea goes the Pump Shoe one better. In fact, you don't even need a Pump Shoe with this hot little item. It makes EVERY shoe a Pump Shoe! No matter how oversized your shoe, boot, or fishing wader, the PUMP SOCK expands inside to make a comfortable and cozy fit!

## THE PUMP DIAPER

No matter how they try they never completely succeed in making disposable diapers leakproof. Babies come in too many different sizes and shapes! The PUMP DIAPER solves this problem by tightening snugly around every part of the baby that could possibly produce unwanted fluids. (CAUTION! When deflating, do so in a large, well-ventilated room with adequate drainage!)

## THE PUMP TIE

This may seem trivial, but for some it's a godsend! Poor wretches like accountants and lawyers must wear ties every day. Tie fashions go from narrow to wide and back without warning and always after you've thrown the old ties away! Staying in style is confusing and expensive. The PUMP TIE solves the problem by pumping in for wide and pumping out for narrow!

## THE PUMP PANTS SEAT

Anyone who's ever sat through a long meeting on a hard chair knows what a pain in the butt that can be! With PUMP PANTS the pain is gone! Now plastic chairs, hardwood benches and cement stadium stairs are no longer instruments of torture. (WARNING! Be sure to deflate PUMP PANTS before walking out onto the street, or others may suspect you have a serious bodily control problem!)

## THE **PUMP** SKI JACKET

Once inflated, the **PUMP SKI JACKET** prevents injuries! You can safely smash into trees and rocks, roll down steep slopes, fall from ski lifts and otherwise make a complete fool of yourself without fear or care. You're even safe in avalanches since you can slowly let out air to breathe till you're rescued!

## THE **PUMP** GLOVE

The **PUMP GLOVE** inflates to provide a cushion of air that protects the hand from many hazards. Ice, fire, and closing subway and elevator doors are no threat while wearing these! The only time the **PUMP GLOVE** should not be used is when fighting. Although your hand would be protected when you threw a punch, your nose would not be when you received one (unless, of course, you're able to pull the glove over your head!)

Now that the havoc-filled era known as the 20th century is finally drawing to a close, happy little idealists have begun to crawl gleefully out of the woodwork with a myriad of rosy predictions for the up-and-coming century. While we at MAD do find these optimists altogether cute and cuddly, we refuse to believe that all the world's wrongs will be righted once that big number 2 rolls around. As a matter of fact, given the relative calm-before-the-storm that was the very end of the 19th century, we've thought up a few speculations of our own about...

Around 2036, we will have a string of U.S. presidents who trained for the job by playing video games and listening to the philosophy of Sinéad O'Connor.

The Forbes Magazine list of the 400 Richest Americans for the year 2009 will be composed entirely of former restaurant bus boys, each of whom won the jackpot in his state's lottery.

The area that was formerly the Soviet Union will have been sub-divided into so many smaller countries that every Russian will be working in New York as a United Nations delegate.

Those entering nursing homes will run the risk of having to share a semi-private room and bath with either Andrew Dice Clay, Sandra Bernhard or Axl Rose.

Antique dealers will be asking \$350 for one of those gosh-awful plastic dancing Coke cans like your parents just threw away.

Dan Rather will retire while Geraldo Rivera is still young enough to apply for his job.

State-of-the-art oil tankers will be roughly five times as big as any now in use—and a whole bunch of them will be owned and operated by Exxon.

The world's nuclear powers will include not only Iraq, but also North Korea, the PLO, and the nasty street gang that terrorizes your neighborhood.

Those convicted in the Savings & Loan Scandal will be out of prison and back at work in their Savings & Loan offices.

By 2008, the average American will earn \$100,000 a year—but \$97,000 of that will go for health insurance premiums.

By 2009, there will be enough TV channels to allow all the lousy shows ever made to be re-run simultaneously.

The first best-seller of the 21st century just might be Kitty Kelly's unauthorized bio of former First Lady, Marilyn Quayle.

The next century will witness the decline into middle age and senility of Michael Jackson—which won't be a pretty sight.

2099 could very well be the Chicago Cubs' 155th straight season without a pennant.

How has the Soviet Union changed for Russian consumers since the fall of communism?

The Soviet Union used to be one large country with lots of shortages. Now it's eleven small countries with lots of shortages!

Why did the Russian consumer cross the road?

The lines looked shorter on the other side!

How can you tell when a National Enquirer reporter starts telling the truth?  
He gets fired!

What's the best way to make a disgruntled postal employee stop killing his co-workers?

Tell him it's his coffee break time!

How many disgruntled postal employees does it take to change a lightbulb?

Disgruntled postal employees don't change lightbulbs, they shoot them out with the ammo they have left over after killing ten or twenty of their former co-workers!

Why do commuter train engineers hate derailments?

It makes them spill their drinks!

**NEW TWIS**

Why did the former child TV star cross the road?  
To escape police chasing him for either shoplifting, drug trafficking, or soliciting a transsexual prostitute!

Why did the euthanasia advocate cross the road?  
To pull the plug on a terminally comatose patient so he could get to "the other side."

What's the difference between euthanasia and watching the Buffalo Bills in the Super Bowl?  
Euthanasia is painless!

How many former child TV stars does it take to change a lightbulb?  
Former child TV stars can't afford a lightbulb because their parents and managers have squandered their money!

What's the difference between euthanasia advocates and David Duke supporters?  
Euthanasia advocates have no use for the braindead!

How many euthanasia advocates does it take to change a lightbulb?  
One. But he changes it before it burns out, so the lightbulb can "go with dignity."

With what's going on these days, Heterosexual sex is the safest way to go!

Boy, are YOU wrong!

Aaaaargh! This is one tough dating town!

The victim was a retired rock star!

Are there any suspects?

Could have been a hooker! Could have been a girlfriend! Could have been someone who hates rock!

You're right! Okay men, scour Nob Hill! Pick up the usual suspects—anyone who's ever enjoyed Barry Manilow or Wayne Newton!

How's it  
going with  
the most  
disturbed  
cop I've  
ever  
treated?

I'm clean,  
Doctor  
Groaner!  
I've given  
up booze,  
drugs  
AND sex!

Nurk, you're  
a very

My

this

town!

Here's the scoop on this  
Tumble chick—she's a  
novelist and a psycholo-  
gist! Now get this... in  
her last novel she wrote  
about a rock star who  
gets murdered during sex!

With an ice pick?  
While he's tied to  
a bedpost with a  
white silk scarf??  
She wrote about  
the murder before  
it happened!

She was also seen  
at the Texas  
School Book  
Depository in  
Dallas on Nov.  
22, 1963!

Coincidence!

Could be a frame-up!

Okay! Let's  
bring her in!

Did you kill him?

No, I didn't  
kill him!  
I had sex  
with him!

Sex? That's all?

Yes! I liked  
having sex with  
him! I liked the  
way he fondled me!

Fondled? Really? Wow!

Tell me, does my  
sexually blunt manner  
and provocative outfit  
unnerve you gentlemen?

We're cops! We've seen it all!  
There's nothing you could  
do that would unnerve us!

Zowee!!!! I see England, I see France,  
I see Miss Tumble has no underpants!

Now!  
Geez!

It's about a

falls for the

Would  
that

me??

Well, it  
ain't the  
fat

Isn't  
this
