CRAZY IN LOVE

In your "Dating Tips for the Mentally Unstable" in MAD #451, I noticed that in each scenario, the unstable person was male! If you don't think there are mentally unstable females, I can tell you about some of the women I've dated (including my ex-wife) that will convince you otherwise!

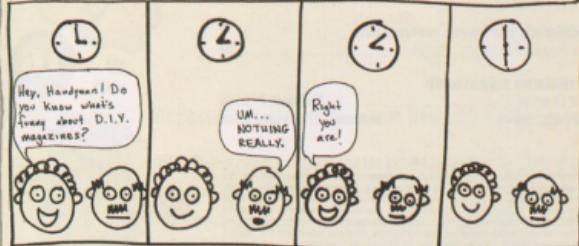

Bill Kohl, Omaha, NE

Old King Kohl — Tough break on the dating scene! We really feel for you. But here's a sure-fire way to tell whether a girl is crazy: if you ask her out and she says yes, then she's obviously Nutters O'Butters! Good luck and we'll see ya on match.com! —Ed.

Make A Dumb Wish Foundation™

As a reader of MAD for over nine years, I have read countless *Make A Dumb Wish Foundation™* letters where contestants send in their slot of egotistical blabber and request things that would force God himself to cringe and turn a hateful eye. Not once did I ever feel obligated to ask anything for myself. In fact, I felt ashamed for even pondering the notion of wanting something from the already giving and nurturing MAD writers. Even though I have been satisfied and filled with laughter for nearly a decade, I dare do the dirty deed. Will the *Make A Dumb Wish Foundation™* grant me my dumb wish?

THE ADVENTURES OF HANDYMAN & FIXER-UPPER

Please note, however, that we retain all publishing rights and this strip can only appear in the pages of MAD. Enjoy and thanks for writing the *Make A Dumb Wish Foundation™*!

JAILHOUSE SCHLOCK

Right now I'm in a juvenile corrections facility. I read your magazines all the time. My mom brings one every month. I was wondering who makes up all the jokes and funny stories?

Phillip Gomez, Cranston, RI

Dr. Phil — Funny you should ask that, considering where you're writing from! Most of our writers and artists were actually recruited right from the penal system! We first discovered John Caldwell through the extensive tattoo work he had done on Art Director Sam Viviano when they were cell mates at Rikers Island. And Desmond Devlin was hired (after a daring escape) because of the hundreds of hilarious death threats he wrote to Editor John Ficarra. We're a little concerned though. Al Jaffee's been missing deadlines because of his upcoming orson trial. Do you have any ideas for a Fold-In? —Ed.

I am starting a local DIYzine in Houston with some fellow writers and we need some help! It is near completion with news, satires, editorials and music reviews. Now all we need is a comic strip. I would greatly appreciate a short original comic strip from any writer or maybe even a unique piece of artistic humor from your janitor!

Ryan Brodie, Houston, TX

Rye bread — As you know, the goal of the *Make A Dumb Wish Foundation™* is to grant the dumb wishes of our fans. So we are happy to report that we are making your dumb wish come true. We are honored that you asked us to contribute to your DIY magazine. Below is a little strip we like to call "The Adventures of Handyman and Fixer-upper." We hope it brings a little class to your zine! —Ed.

CRAPPY DAYS ARE HERE AGAIN

I've been reading your magazine since I was a kid. I just wanted to let you know that I think it's really funny. Not a very original compliment, I know. But seriously, sometimes when I'm having a really crappy day, MAD makes me laugh. You rock!

Russ Peplinski, Ontario, Canada

P.S. Could you please let me know how William M. Gaines died?

Rusty — Let us take a moment to describe our day today. It was magical! We flew a kite in the park, played with some Welsh Corgi puppies at the pet store, got soft-serve chocolate ice cream (In a waffle cone!) then came to the office to answer some reader mail. And that's when the day took a turn for the worse. You wanna talk about crappy days, Rusty? A crappy day is when you're having a really great day and then some "fan" reminds you that your dear friend is dead. Thanks for your letter and we hope you're having a great day! —Ed.

Whoever said two heads are better than one never saw this disturbing and terrifying MAD-themed snowman sent in by Michael Wimsatt of Floyds Knobs, IN. All we can say is thank God spring is coming!

BIG BERNIE

You may recall back in issue #451 the sad, sad tale of Bernie Amero of Gloucester, MA, whose local store (spookily named The Willow Rest) stopped carrying MAD. After bugging them to start again, he gave up and just got a subscription...at which point the store caved in to his pitiful begging and decided to start carrying MAD again. Now this poor schmuck is stuck with two issues a month and he's looking to dump one of them. So, we asked readers to tell us why they deserve this questionable prize. The responses poured in and we proudly give you their pathetic pleas! Oh, and by the way Bernie, we hope you will write and tell us your verdict!

I deserve the subscription because I actually cry during Halo videogames. I was in tears when Cortana was left behind...and when Halo was destroyed the first time. So, I need that subscription because you guys are the only things that make me laugh after the death of the prophets! Ohhhh — it's so sad.

Alex Landreville, Edina, MN

PUTTING SHAME IN YOUR GAMES

MAD reader/Games magazine fan (and shut-in) David Hegner of Newton, NJ, brought to our attention that a puzzle in the April, 2005 issue featured a MAD-related entry. For your pleasure and our bragging rights, we happily reprint (without permission), the puzzle and the clue. By the way, Dave, if you subscribed to MAD, Games AND Guns & Ammo, you'd pretty much have the trifecta that makes up most serial killers' reading lists! —Ed.

STAR WARS DEPT.

Don't let the 15-year gap between movies fool you—George Lucas is a busy man. While bettering making one of the most beloved movie series of all time, running that series, AND trying to save that series, he's got quite a full plate. Just take a look...

A DAY IN THE LIFE OF GEORGE LUCAS

Start the day with a nice big bowl of slightly stale C-3PO's tree flibble

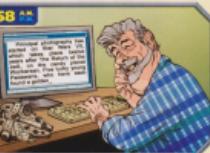

See what Zoggy's up to today.

Get things moving with a nice hot cup of coffee and then head off to the bathrobes to drop some robes into the surface pot.

What to next, what to next?

Start random, completely untrue Star Wars rumors to work interest, under a phony screen name, just for the hell of it.

Call digital imaging crew and order new footage added to certain scenes so it's now absolutely, positively clear that Greedo shot first.

Lunch at the Bearded Directors Club.

Meet with John Williams to discuss composing score for the ranch's new doobie.

ARTIST: HERMANN MEDIA WRITER: SCOTT MAHER

A DAY IN THE LIFE OF GEORGE LUCAS

Cancel the additional footage.
Let Han shoot first, who cares?

Do more harm than good while unsuccessfully trying to get out of a speeding ticket by using an old Jedi mind trick.

Smooth things over with cop by posing to digitally insert his face in a crowd scene in 'DVD release of Revenge of the Sith'.

Meet with son's teacher to discuss the allegation that he may have had some outside help with his science project.

Feign amazement when car salesman makes lame joke that car "made the Kessel run in less than 12 parsecs."

On second thought, decide to put that shot of Greedo shooting Han back in.

While napping, make another \$100,000 in toy sales around the world.

Meet with kid who played Anakin in the first prequel; give him a summer job pulling weeds and picking up cigarette butts around Skywalker Ranch.

After mailing it over some more, ask digital imaging come to try it with Greedo and Han shooting each other at the same time.

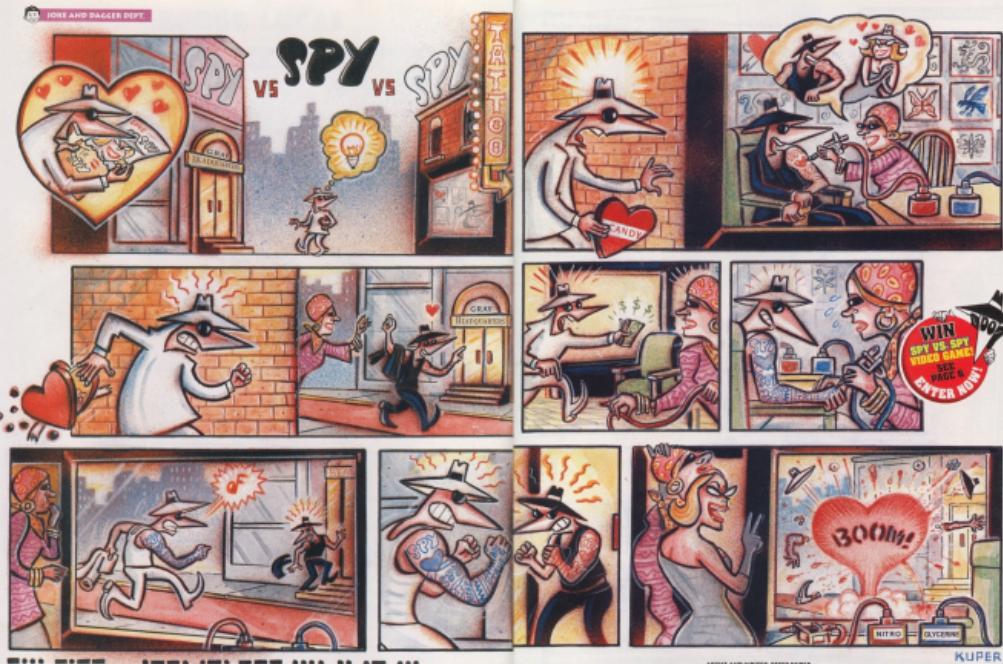

Approve a few more Star Wars licensees and products.

Play *AKTOR II* and spend four hours stuck in the Death Ward house on Tatooine trying to find the dianen rotation code to open the door. Make a note to call that kickin' head programmer at LucasArts and find out how to advance, then fire him.

Issue final decision on Han and Greedo scene: Boba Fett.

A PAIN IN THE ASSASSIN DEPT.

Any career path you choose has its little troublesome quirks. It might be the copier that's always down just when you need it. Or maybe it's that party of five that always heads for a dirty table when you tell them to sit anywhere they like. And then there's the matter of a closet full of blood-splattered Armani suits. If that's a common gripe of yours, then the chances are you'll really relate to...

MAD'S PESKY QUESTIONS
FOR THE CAST OF

24

When you watch 24 without the commercials, it's a lot shorter — so for DVD collections, did you ever think of changing the show's title to 18?

How many scenes have you had to re-take because they were ruined by the real-life anti-terror technical consultant on the set loudly guffawing over your ridiculous plot twists?

Is there a single viewer in all of God's green earth who doesn't realize by now that "sending back-up" is a code phrase for "Jack's going to do it by himself, because help will never get there in time?"

If viewers were confused by former President Palmer doing commercials for insurance during the beginning of the season, won't their heads explode at the end of the season when he's on the show and doing commercials?

Since FOX had Kiefer Sutherland do a public service announcement clearing up the misconception between radical Muslim fundamentalists hellbent on terrorism and the average Americanized individual of Islamic heritage, if he battles Neo-Nazis next season, will Kiefer be forced to do another PSA reminding us that Neo-Nazis are people too?

How is it that at the first writer's meeting of the new season somebody in charge doesn't hand out a memo stating "OK, even though we got away with it three times already, no more moats; no more endangering someone Jack loves; and no more disagreements where Jack is right and the bureaucratic bosses are made to look like boneheads?"

What's the name of the Teamster whose sole job on the show is to operate the machine that keeps Kiefer Sutherland's face from ever smiling?

Is the guy who came up with the annoying digital "beep...BEEP...beep..." noise on 24 the same brain-dead schmuck who created the equally annoying *Law & Order* "Dun-Duhn" scene transition sound?

When you do those "Previously on 24" recaps, doesn't that eat into the hour we're about to see, taking up valuable time Jack could be using to save the country, or are you, like, bending the space-time continuum or something?

At some point after the first eight hours, wouldn't one of the challenges the head of CTU has to face be whopping, budget-busting overtime expenses?

Three seasons, three evil, foxy African-American women...does this mean next season Jack Bauer tangles with Omarosa?

Tony Almeida committed treason to save his wife's life and she still left him when he got out of prison; in the divorce settlement, who got the dog?

In order to heighten the level of realism, shouldn't President Keeler have been depicted reading a picture book to school kids for 7 minutes after receiving word of a terrorist attack on America?

What FOX executive nimrod let the producers replace Elisha Cuthbert — #63 on *FHM*'s Hot 100 list! — with a fat, sweaty lisping guy?

Since CTU tech geeks repeatedly prove that they can do anything with a computer, how about they find that Nigerian prince who keeps e-mailing us with his tale of woe and digitally transferring his millions of dollars into a Swiss bank account for Jack and the rest of the crew?

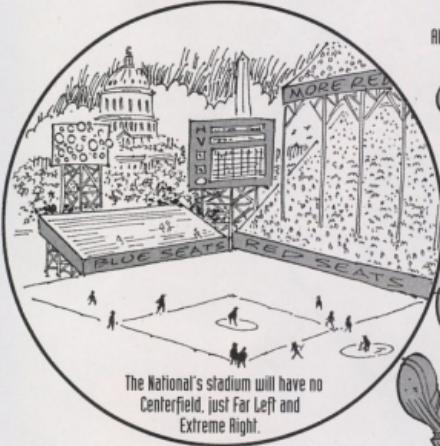

Was William Devane's portrayal of a strong, decent and responsible Secretary of Defense intentionally designed to make us aware of our current one's shortcomings or was that just a pleasant by-product?

Everyone's up for 24 hours straight — why doesn't anyone ever yawn?

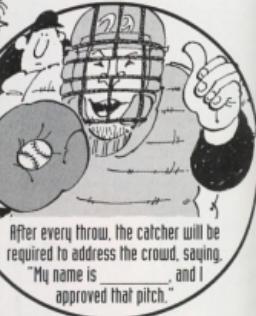

First, a word of consolation to all of the Montreal Expos fans reading this. Sorry, pal! And now, a message for the Washington D.C. baseball fan base that's so indifferent to the sport that they've already driven two franchises out of town. Great news! Baseball is a "three strikes" kind of game! The Montreal Expos are now the "Washington Nationals." But Washington has changed a lot since the city last had baseball, and we're betting that some of these changes will be reflected in its new team. Here's what to expect...

ONCE BASEBALL COMES TO WASHINGTON

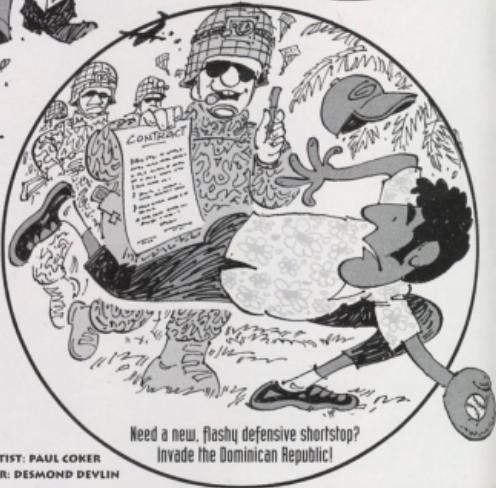

The National's stadium will have no Centerfield, just Far Left and Extreme Right.

All ballpark food concessions will be awarded to Halliburton on a no-bid basis.

After every throw, the catcher will be required to address the crowd, saying, "My name is _____, and I approved that pitch."

The manager will be too terrified to send up a pinch-hitter, for fear of being labeled a "flip-flopper" by the opposing team.

Need a new, flashy defensive shortstop?
Invade the Dominican Republic!

Tickets will cost \$8, \$15, \$33 and \$48. However, for a small additional contribution of \$50,000, you can be designated a "Freedom Fan" and get to sit inside the dugout on the third baseman's lap.

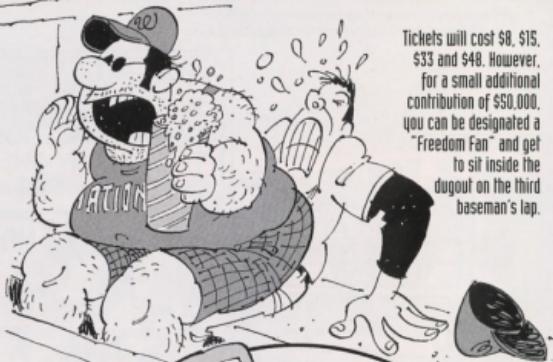

The Democratic Party will face serious competition as the city's most "lovable losers."

The entire Washington team will win an unprecedented nine Gold Gloves, simply by refusing to admit they ever made an error.

There'll be a double scandal when the team is discovered to have corked its bats with George W. Bush's missing National Guard files.

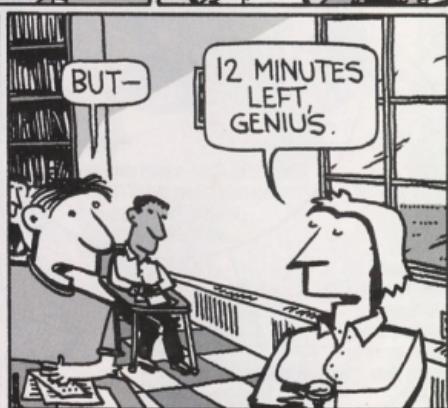

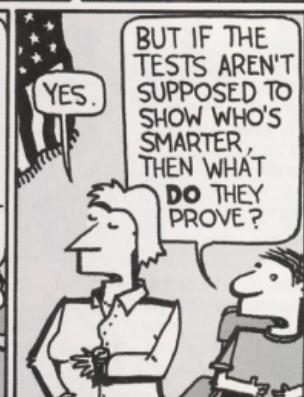

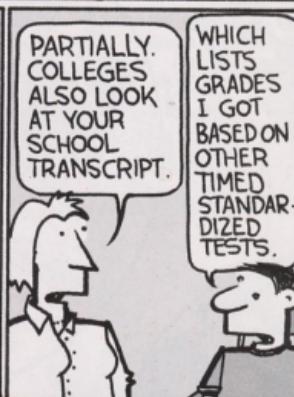

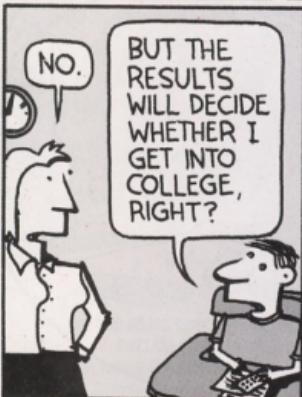

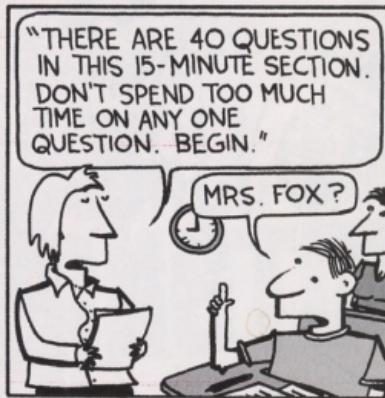

When the Giants come to town, Barry Bonds will try to make his steroid-swollen head look more normal by having his photo taken with Ted Kennedy whenever possible.

There's a better than even chance that the rosin bag on the pitcher's mound is now chock full of Anthrax.

As soon as the home team takes a 1-0 lead in the bottom of the first inning, the manager will call "time out" and announce "Mission accomplished."

Hurt to snap-gathering time, high school proms are probably the second most-photographed event in a person's life. Memorable photos, touching photos, funny photos, photos that elicit a deep emotional response from the viewer...but enough about snap-gathering time! Not every picture taken at a prom is a "keeper," though. Some wind up in the trash...and since that's where we usually look to find art...here, take a moment to enjoy it, too...

SEE YOU YARD DEPT.

MAD'S STAR WARS OUTTAKES: SITH HAPPENS

See what
happens when you
don't wear the
retainer?!

Three movies!
Why did I sign up for all
three movies?!

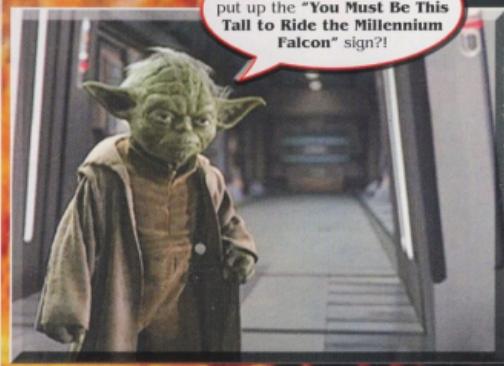

Dealt it, whoever smelt it!

Don't worry
about it — it happens to
a lot of Jedi!

All right,
who's the wise guy who
put up the "You Must Be This
Tall to Ride the Millennium
Falcon" sign?!

What if you could see into the future? What if you had the same gift of clairvoyance that's been bestowed on the housewife, and even her children, in a new NBC series? You would be lucky indeed, because then you would know instinctively not to watch, because it's pure...

TEDIUM

What a dream! You were dressed as a circus clown and every time I tried to ask you a serious question, you shot seltzer in my face! The kids took on the body of an octopus and were squeezing the life out of me! And D.A. Devious, my boss, was hurling sharp knives and trying to stab me in the back! All I can say is "Yes! I finally had a *fun* dream! One that I don't have to examine every little detail of to see if there was some *hidden* psychological meaning!"

Here's something else you don't have to examine too deeply for hidden psychological meaning! If you keep me up one more night with your screaming and rantings about cockamamie dreams with murders and dead people talking to you, I'm going to hit you in the face with something — and it ain't gonna be a shot of seltzer!

Honey, time to get ready for school!

I'm not going! I mean, what's the use? I got an "F" in three subjects!

That's ridiculous! How could you get an "F" in three subjects if today's the first day of school?

Because I'm your daughter, and I share your "gift." I can see ahead to the end of the semester! Oh, wait a minute! I see a tragic car pool accident involving the three teachers who were going to fail me! Okay, I *will* go to school! Suddenly, things are looking up!

You have that strange look in your eye! What are you seeing?

I'm seeing an old man putting his arms around a young girl half his age! She doesn't like it, but she's afraid to say anything!

And what do you think that means?

It means that old geezer across the street should get some shades! It's taking all see right into his apartment!

I'm off to work! It's going to be another long, difficult day! I've been working on a killer mathematical problem for six months now!

Six months? I knew the answer? Why didn't you tell me six months ago?

What? So the project would be over? Suppose they fired you? Then you'd be home all day! I need my *space!* Like right now I have to go back to bed and start my work day! If I don't have a grisly nightmare by noon, my D.A. boss is going to chew me out again for goofing off on the job!

What a drag! From now on I have to make sure none of my victims are *gym rats!* This guy's muscles are so hard it's taking all the fun out of chopping him up! And my last victim! She was so fat I had to chop through ten layers of blubber before I could even get an arm to come off! So depressing! I know I should be doing something else with my life, but unfortunately this is what I'm best at!

I figured I'd take you to a nice restaurant to help get your mind off your terrible dream you had today!

Yeah, this was a perfect choice! A restaurant with a knife-wielding chef!

Don't think about the knives! Think about the food!

You're right! I'll only think about pleasant things! Do you know how many people die a terrible death each year from eating contaminated raw fish?

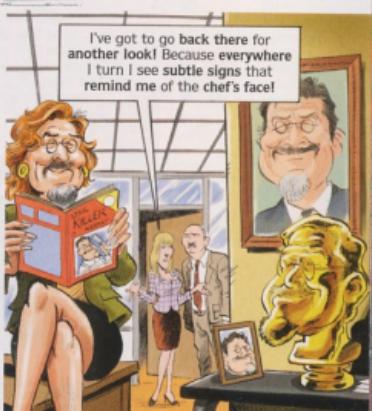

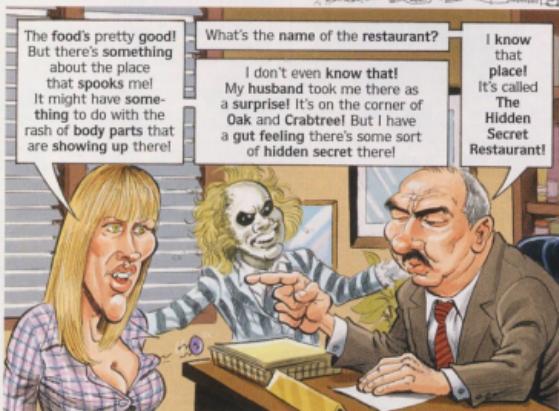

Look! That chef! He looks exactly like the murderer in my dream!

See! He just cut that lady's head off!

He cut that lady's head off because you started him! I only thank God we're not at a circumcision!

SUSH

Saddam, we've hidden the weapons of mass destruction in...

I am Carnac the Magnificent! Sure I said I would never be on TV after *The Tonight Show* ended, but that was when I was alive! It's nice to be back on NBC in prime time! And besides, I can't die again, even on TV!

I see dead people!

Wrong! Next dream, please!

Wrong, next dream!

I've been dismembering bodies and leaving them all around *The Hidden Secret Restaurant* and in the food so people will be terrified and stop eating there! Then when it goes out of business, I'll have plenty of time to discover where in that restaurant my father hid the millions of dollars from the heist!

Bingo! Winning plot explanation! Time to wake up!

We arrested the chef! We caught him in the parking lot dismembering two more customers!

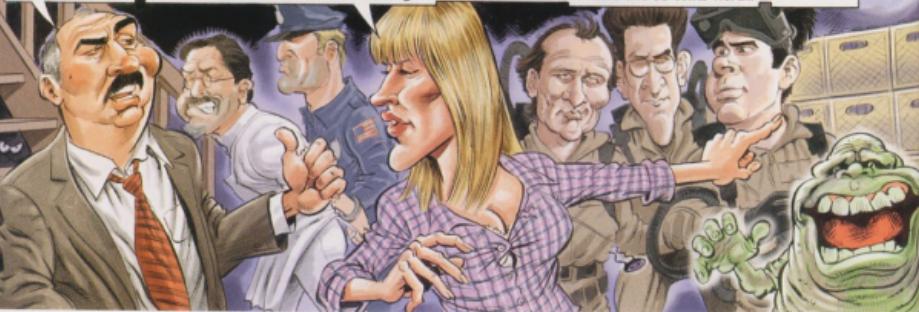

I know! I just spoke to the owner of the restaurant! He was very upset! He was especially angry that the chef dismembered the customers *before* they paid! He needs all the business he can get!

We still haven't found where the money is hidden, though!

95 cents?

I know where it is! There's a little bit of cash hidden in every one of these soda bottles! Three million dollars and 95 cents worth!

The deposits on the bottles!

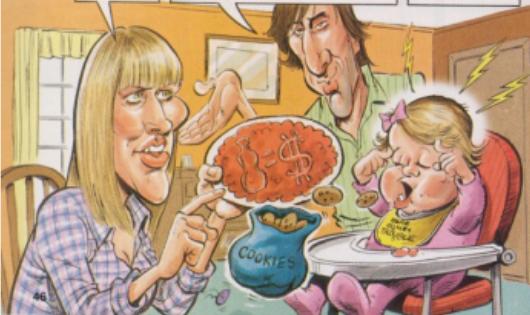

So thanks to me, all the money was recovered!

That was amazing, honey! How did you know exactly where to tell them to look for the money? In another one of your dreams?

If you must know, the baby helped! She drew this in her baby food!

The baby! OK, that's it! First you're having conversations with the dead, then our two daughters start having weird visions, then your brother and now our baby! Who's next, the dog? I can't take this anymore! I'm leaving you!

Leaving me? Wow. I didn't see that coming!
