DEATH WISHERS

Stan Hart's pacing of "Death Wishers" is masterful and frighteningly thought-provoking! It's tough to laugh so much when you're envisioning having your windpipe squeezed. Choke!

Jack Borgen
Baldwin, N.Y.

Having played the role of Chief of Detectives Frank Ochoa in "Death Wish," I was delighted with my appearance in the MAD version, "Death Wishers." Your satire was terrific, very funny and very true! Congratulations!

Vincent Gardenia
New York, N.Y.

Vincent Gardenia Enjoys His
Appearance In "Death Wishers"

Thank you so much for "Death Wishers," Stan Hart and Mort Drucker. I never ride the subways without carrying your Bronson cover issue to repel muggers. It's reassuring how safe MAD has made me feel!

J. S. Genn
New York, N.Y.

HIGHWAY SAFETY COMMENDATION

I'm sure many readers have told you how your magazine provides them with an oasis of humor and innocent sarcasm in an all-too-serious world. While I wish to extend thanks for the humorous aspects of MAD, I commend you for the clever and serious message about drinking drivers on the inside back cover of the March, 1975, issue. Those of us in the Traffic Safety field can use all the public influence possible, and I know your efforts are most effective.

Lance C. Clem
Public Information
Division of Highway Safety
Denver, Colo.

THE TOMMY-RED SEED

Dick De Bartolo and Angelo Torres are to be admired for their gentle treatment of Julie Andrews in "The Tamarind Seed"! Hopefully, it'll help her laugh it off, too!

Connie Ives
Hammond, Ind.

Dick De Bartolo should have had a hand in the original screenplay. It could have been a good comedy, instead of a farce, with his touch. The appropriate ending of "The Tommy-Red Seed" served to remind us that Julie Andrews gave us the very fine "Mary Poppins," "The Americanization Of Emily," and "The Sound Of Music" before *this* unfortunate venture.

Kathleen McCarter
Pasadena, Calif.

GOOD NEWS—BAD NEWS

"Good News" is going to the store to find the latest MAD has disappeared from the racks. "Bad News" is finding it covered up by Today's Health!

Leonard B. Gray
Niantic, Conn.

"Good News" is your mother throws out your new MAD. "Bad News" is your little brother rummages through garbage cans. "Good News" is your father throws out the coffee grounds-stained MAD again, just as the garbagemen make the pickup. "Bad News" is the garbagemen by-pass your house!

Mary Ann Stroud
Deer Park, N.Y.

A MAD LOOK AT THE MILITARY

Thought your "Mad Look At The Military" was really explosive!

Michael McAllister
Williston Park, N.Y.

Arnoldo Franchioni really shows the "Military" as overgrown children, playing with very dangerous toys and very precious lives!

Faith Bernstein
Yonkers, N.Y.

"They" want us to throw skillions of loot into Cambodia and we're taking a left to the family budget and a knockout blow to the stomach, here at home! Why were you so *easy* on the "Military"?

Felicia Harkness
Potomac, Md.

IT ALMOST RESTORES YOUR FAITH

"It Almost Restores Your Faith When . . ." you buy a MAD magazine, doubting you'll find something intelligent in it, and you don't!

Ron Verderame
West Haven, Conn.

"It Almost Restores Your Faith When . . ." your mother starts reading MAD and stops throwing it out!

John Marshall
North Tarrytown, N.Y.

MARTIN'S YOUNG DOCTOR FREEN

Don Martin's "Young Doctor Freen" might be a throwback to *his* being launched from the Delivery Room!

Tom Pritchard
Ocean Grove, N.J.

SECOND COLLECTION OF THIN BOOKS

Arnie Kogen's "A Second MAD Collection Of Extremely Thin Books" should have included "Really Creative Article Ideas For MAD by Arnie Kogen, Repeated Even Thinner"!

Michael Maddox
Chase, Md.

I enjoyed #174 until I came to your "Second MAD Collection Of Extremely Thin Books." The Osmond Brothers have contributed a lot more to music than your magazine contributed to humor!

Mary Kate Mulkeen
Oceanside, N.Y.

THE SILENCERS

You have repeatedly surpassed your previous efforts re your anti-smoking graphics, but the brilliant "The Silencers" back cover is really loaded!

Tom Henry
Bronx, N.Y.

Perhaps an even more appropriate title would be "The Smoking Gun"!

Lino Lipinsky, Jr.
Katonah, N.Y.

"The Silencers" convinced me to bite the bullet!

Fawn Carroll
Merced, Calif.

ADDITIONS TO THE DICTIONARY

How about some "Additions To The Dictionary" that are all based on MAD-men?

Richard Mattersdorff
Camp Springs, Md.

Editor's Note: Due to the above request, Frank Jacobs has gone to absolutely no effort to give us "Additions" derived from MAD people:

aragones (ä-rä-gō-nūs) n.: a marginal error.

jaffee (jāf-ē) adj.: folded in; squashed beyond recognition.

martin (mār-fīn) adj.: describing one with hinged feet.

martin interj.: vreep, sklortch, thwoom.
drucker (dřūk-êr) n.: a distorted image. (We looked for Charles Bronson but could only find a drucker.)

kogen (kō-gūn) v.i.: to suffer from a gag reflex. (We read the satire and we kogened.) syn. siegel, hart, silverstone, de bartolo.

prohias (prō-hē-ús) v.t.: to double-cross. (I've been prohiased again by that white spy!) or (I've been prohiased again by that black spy!)

Re "Additions To The Dictionary," you omitted one:

jacobs (jā-cūbz) ad.: to induce vomiting. syn. repulsive, disgusting, sickening. (MAD articles can be very jacobs.)

CRASHING BORE DEPT.

A few years back, Hollywood took the best-selling book "Airport" by Arthur Hailey, and turned it into a mediocre movie that made *millions!* Recently, Hollywood turned out a *NEW* movie which carries the credit: "Inspired By The Novel 'Airport' by Arthur Hailey." Unfortunately, the *only* resemblance it has to the novel is that it's *ANOTHER* mediocre movie that will make *millions!* So here's our version of:

PLOT '75

Say ... isn't that Helen Reddy, the Singer?!

Well, it certainly isn't Helen Reddy, the **ACTRESS!!** I think they made her a Nun so the Audience would have mercy on her!

Miss Swansong, what is the secret of your eternal youth?

I only eat good, healthy, tasty appealing meals!

Well ... she's certainly going to starve on **THIS** flight!

That's Gloria Swansong! She can still play a convincing movie role even though she's an aging actress!

Really?! What kind of role does she play in this movie?

An aging actress!

Why, **SID CAESAR!!** What are **YOU** doing in a dramatic movie?!!?

WHAT dramatic movie?!? This is the funniest movie I've ever made!

WRITER: DICK DE BARTOLO

Hello, Mrs. Baloney! What are **YOU** doing on the Redeye Special?

Since my husband is an **Executive** on this Airline, what better way to generate drama than to plant his wife and child on a **doomed 747 flight!!**

We've patched in a **personal** call for you, Naggy! Now remember ... you're talking on the regular air channel!

Hi, Naggy! I know you're boarding a couple of hundred passengers ... and getting ready for the take-off, so I figured you'd have some free time!

I just want to say I'm sorry I was so hostile back there!

Thanks, Honey! You **KNOW** you're the only man in my life!

You bet, Naggy!

Right on, Baby!

You said it, Sweetheart!

The **ONLY** one, Sugar!

Columbia 904—
this is the Los
Angeles Control
Tower! We're
afraid you just
can't land here!

All fogged in?!

Oh, no! It's perfectly clear
here! There's 100% visibility!
But you know those Jumbo Jets
only REALLY perform under
adverse conditions! So why
don't you head out toward
... say ... Salt Lake City ...
and hope it's crappy there!!

Gee, I hope
you two guys
can still
score tonight,
since we had
to change our
flight plan!

That's no
problem,
Captain!
We'll make
out! I can
guarantee
it!

Hey, Jigolo! How come—no
matter where we go—you
still manage to have girls
meet us at the Airport! Do
you know broads in EVERY
Airport Town in America?!

No, I only
know TWO
girls! But
they travel
in the Cargo
Hold of every
plane I'm on!

Hello,
Boise
Airport!
What's
the
weather
like
there?

Very bad!
You'll
have to
go on to
Salt Lake
City
Airport!

How
will
I find
Salt
Lake
City
Airport?

You can't
miss it!!
You'll know
you're there
as soon as
you run into
a big 747
Jumbo Jet!

This is the Captain speaking!
I have good news and bad news!
Bad news is: We're not going
to Los Angeles as planned ...
we're going to Salt Lake City!
Good news is: We anticipated
this, and we managed to put
your luggage on a different
flight! So your luggage will
be going to Los Angeles!!

Salt Lake
Control—
this is
Columbia
904 ...
making
its final
approach!

Okay, Columbia 904!
Hey, Captain, can
I ask a question?
If we're all in a
Universal Picture,
how come you're a
Columbia airliner?

It's our
sneaky way
of putting
the blame
for this
bomb on
somebody
else!

Salt Lake
Control
Tower ...
I'm not
feeling
very well!
May I have
permission
to land?

Sorry,
but a
Columbia
Jumbo
Jet
has to
land
first!

Then may
I have
permission
to have a
heart attack
and lose
control of
the plane?

Permission
granted!

Boy, you
sure do
everything
by the
Rule Book,
don't you?

Uggh! I'm dying! I'm dying!

Which isn't hard to do in
this movie! And now ... with
the entire sky at my disposal
... watch what happens ... !!

Okay, Crew!
Prepare
for a
landing!
Somebody
get out the
Instruction
Manual!

Good Lord! Look, Captain!
A small plane ... coming
right at us! We're closing
at a speed of 450 miles an
hour! What should we do?!

Quick! Blow the horn!
Step on the brakes!!

Ladies and Gentlemen . . . I am happy to report that we have LANDED— on top of a plane!!

While we're finding out what kind of trouble we're in, we suggest you read the card in the seat pocket in front of you, which is all about how to die in an airplane crash!

Oh, my God! What happened?!?

I—I'm not sure!
I was out sick the day they taught us about this sort of thing in Flight School!

Salt Lake Tower, this is Naggy— Stewardess on Columbia 904 . . . I'm—I'm flying the plane!!

Oh, c'mon now! Women's Lib or NO Women's Lib, Naggy . . . this is absolutely ridiculous!

The Crew is dead . . . the Captain is hurt real bad . . . I don't understand any of these instruments . . . I'm scared stiff . . . and I don't even know what I'm doing!

You sound like a seasoned Pilot, Naggy! Now, do you have your Auto-Pilot on?

No . . . just my uniform!

Describe the damage, Naggy . . .

It's real BAD!

Well, now that we have something to go on, we can help you! So . . . do me a favor! Don't leave the plane till I get back to you!

Hello, Mudrock . . . Flight 904 is in terrible trouble

There is no such thing as a 747 Jumbo Jet being in terrible trouble!

Your sweetheart, Naggy, is flying it all by herself!

Flight 904 is in terrible trouble! Let's get out there!

Er—Stewardess Naggy has asked me to say something to reassure all you passengers! The Captain is gravely injured, the rest of the Crew is dead, an inexperienced girl is flying the plane, and I'm not talking to you on the intercom because that went dead when we had our mid-air crash and most of the controls were ripped out . . .

BUT . . . the bathrooms are all working!!

Naggy, we're on our way to bring you help! I just wanted to tell you you're doing a fantastic job!

But I haven't DONE anything, yet!

That's why you're doing a fantastic job, Sweetheart! Now, listen to me, Honey! I'm going to give you some instructions, and you have to do exactly what I say!

Oh, that's groovier! But . . . shouldn't I get UNRESSED first?

No, Dear, this is different! Now, I want you to bring the nose of the plane up a little higher . . .

Ease back on the wheel ever so slightly!

Okay! I'm doing it!

Now, you see the little airplane on the big dial there? What is it doing?

It's flying upside-down!

Er, you eased just a little TOO FAR back on the wheel, Dear!

The only thing we can do is put someone aboard that plane!

But we already HAVE 150 people aboard that plane ... and the poor Stewardesses can't even keep up with THEM!

I'm talking about a Pilot!

Putting a Pilot aboard a moving 747 Jumbo Jet is preposterous!

So what?! This entire MOVIE is preposterous!

Hey! Then it has to WORK!!

The Captain is in pain! I've given him something to put him to sleep!

Some Morphine??

No, a copy of the script!

Give me my Bomb-Proof Jewel Box! In case we crash, I want to use it to preserve all of the exciting memoirs of my fantastic life!

You need the whole case for TWO 3 x 5 INDEX CARDS! **EXIT**

Look, there's another plane out there! He—he's going to help us, isn't he, Stewardess?

No, I'm afraid it's just one of those planes that tow advertising banners! See what that one says—**"GO AMTRAK ... THE SAFE WAY TO TRAVEL!"**

What about that other real BIG plane ... below it?

Oh, that's just the **ORCHESTRA PLANE!** It plays ominous, loud music whenever we fly very close to the mountains!

You mean to tell me you want us to give you our best Pilot, and you're going to give him a free ride in a 747 Jumbo Jet???

That's right! But we've got to hurry! Because the plane he's going to get his free ride on has **LEFT** already ... so he's going to have to **JOIN IT** in **FLIGHT!!**

I'm Purehell—from Station **KRAP-TV!** Can you tell us if you found the Pilot of the small plane that hit the 747?

Yes, we did!

Where is he?

Outside Salt Lake City ...

... and Reno!

... Denver!

... and Las Vegas ...

... Phoenix!

... Santa Fe!

Look, Naggy! A Helicopter!! And they're lowering a man! Whew! What a load off my mind! This means even though the Crew is dead, I might still have a date tonight!

He's almost there! He's almost ... Oh, NO!! The line just broke!

Oh, well! When we offered him this free ride, we **DID** say there were no strings attached!

Get me into that rig... and lower ME down! I'm going to do it!

What makes you think YOU can do it, when Colonel Loss couldn't? He won a medal for Flight Excellence!!

But I won an OSCAR for "Ben Hur"! Lower away...

Hi, there, Naggy, Baby! It's ME!!

Sure! And it's just LIKE you to drop in from out of the blue without even the courtesy of a phone call! You're lucky I was IN!!

My God! Where are all the Control Panels?!!

Where do you think?? When I saw that I was having COMPANY, I had to straighten up a bit, didn't I? So... I just THREW THEM OUT!!

Oh, Damn!

Engine Three is acting badly!

What's wrong, Mudrock?

So?? Why should Engine Three be any DIFFERENT from anyone else in this movie?!!

Tell the passengers I'm stopping the engine, but don't alarm them!

Folks, Captain Mudrock is now flying our 747! Everything is peachy-keen! However, Engine Three is running just a teensy-weensy bit hot and if it ever ignites the gas from that sneaky leak, we'll all be blown into itty-bitties!

SHE'S even BETTER at calming us down than that OTHER girl!!

I've LANDED this thing... but I can't get it to STOP! That's the trouble with big jets! You can't drag your FOOT on the runway the way we used to stop the 707's!

Wow! No instruments, no brakes, one engine out, and Mudrock makes the BEST LANDING of his career as a Pilot!

Come on... let's go... down the Emergency Chutes! Quickly... Let's get a MOVE on!!

Tell me, Miss... if we've landed safely, and there's no fire, how come we're all running like idiots??

To escape the CRITICS! Run!! Hurry! Get away... before they recognize you!!

Quick, Mudrock! The left wing just broke off a DC-10 and we want you to weld on a new one—in flight!

That's REALLY preposterous!

What's the matter? You got a thing against making a third \$25 million?!

You mean?

That's right!

How does "Airplot '76" sound to you?!!

With today's ridiculously high cost of food and lodging, travel has become an almost impossibly expensive proposition. However, there is a sure-fire method of cutting costs while still seeing the country. It's called "House-Guesting" ... which means you stay with friends or relatives and *sponge off them!* And so, to teach you the elementary aspects of this fine art, we now present ...

A SELECTION OF "INVITATION-GETTING" LETTERS

Dear Sue and Andy,

It's hard to believe that five years have passed since you two got married and moved away. I'll be going South this Fall and, as I promised myself, would like to take the opportunity to personally hand you your Wedding Present which finally came from the South.

Dear Uncle Harold,

Somehow, I have never forgotten that straight-from-the-shoulder talk we had in my Freshman year when you convinced me to change my Major from Modern Dance to Forestry. Well, once again I am in dire need of a strong, clear, no-nonsense talking to... and since I will be passing through your area next month I thought...

Dear Mr. Wambaugh,

Having followed your law suit against Breakwind Airlines with great interest in the newspapers, I thought you might like to know that I worked as a freight handler for them. During that time, I came into possession of some revealing papers concerning the sloppy way they handle live Cobras. And since I am quite willing to appear as a witness for you in your upcoming trial, I thought you might want to have me visit you in order to plan our attack and prepare

Dear Mr. Tremaine,

Before she died, my Aunt Lola entrusted me with a packet of letters that you wrote to her while you were an art student at the school where she modeled. These letters are so full of youthful exuberance and passionate longings that I am sure you would enjoy re-reading them. Since I will be passing your estate on my forthcoming trip, I decided

Dear Mr. Trevor-Clydesdale III,

In my research concerning early shipping along the Eastern Seaboard, I have come into possession of a map indicating that Pirate Treasure is buried on your waterfront property at Sea Island, Ga. It would take me only about two weeks to uncover the references and decipher the symbols on this ancient map, and I could stay at your elegant home during that period, where we could also discuss a fair split if and when the treasure is found and we are able to make a proper

Dear Cousin Mildred,

I was sorry to hear that you are having such expensive problems with your septic tank. As it happens, I have just graduated from a six month Correspondence Course in Leaching Fields, and I would be happy to make a slight detour in my forthcoming trip West to visit you and give you the benefit of my knowledge of the problems involved.

Dear Mr. Finklestein,

I could not help but notice that we share the same surname, and so I have taken the liberty to write. Recently, I undertook an intensive search into our ancestry and discovered that our name dates back to the sixth century.

As I will be passing through your town next month, I thought that you might be fascinated to see my study and have me explain it to you. Did you know that we had two Transylvanian Counts and one French Marquis in our heritage?

Please let me know what date will be convenient for us to meet and discuss the

My parents have given me a choice: Get a **JOB**, or go on to **COLLEGE**! It's really a momentous decision! I'll have to weigh the attributes of both pursuits and decide!

It's a matter of which will enlarge my capabilities for coping with our technological society . . . and which will further my understanding of the conflicting factors affecting our competitive life styles!

Sounds like a very difficult problem! How do you intend to solve it?

On a purely rational and intellectual level!

Where will I meet more fellas?!

Why not!?! And

How much could things have

Really? Le'me take inventory on that! I was on a real ego trip when I had the lead in the school play! I had a blast with the Photography Club! Winning that Basketball Scholarship was a nice surprise! And making out with the Captain of the Cheering Squad was absolutely sensational!!

Yep! All in all, I'd say High School definitely was **NOT A DRAG!!**

Did it ever occur to you that **YOU** were the drag?!!

Unless MAD is the only magazine you read, this ad probably looks familiar to you. It should. It appears in virtually every periodical in the known world. At times the horse changes to a fawn, and at times scholarship prizes are promised to those with "outstanding ability." But the ad hasn't undergone any basic changes in a generation.

We have no idea how many students have enrolled in Art Courses as a result of this "Free Evaluation" offer. But it seems safe to assume that no school would keep running the same type of ad for years unless it produced the desired results.

And that raises a logical question. If the "Free Talent Evaluation" deal works for an Art School, why couldn't it be utilized just as successfully to bring students into other kinds of Home Study Programs? And for example, just imagine how irresistible the lure would be to sign up for a ten week course if you were offered the following...

NOTRE DAME DEFEATS SOUTHERN CALIFORNIA IN FOOTBALL GAME

Notre Dame defeated Southern California, 33-14, in a football game today before 90,000 fans in Los Angeles. At least this is assumed to be what happened since Article XVI, Section 9 of the Football Rules states that the team which scores the most points prior to the end of the game shall be deemed the winner. And the Notre Dame team scored the most points today. It scored 33, and Southern Cal only scored 14.

I am clinging to the hope that my humming may be good enough to qualify me for professional training by the maestros at your Academy. To assist you in judging my musical ability, I have taken your talent test in the privacy of my own home, and I think that the results came out as follows

- ☐ I sounded pretty good to me, especially when I did it in a tile-walled bathroom.
- ☐ I couldn't hum because it made my lips tingle and feel funny, but I said the words out loud real nice and clear.
- ☐ I was too embarrassed to take the test here alone, but I'm sure I'll do fine once I get on stage in front of a big audience.

There's an old joke that goes: "Football is a strange sport! Where else can 22 guys pat each other on the behind in public . . . and not get arrested?" Well, in a recent, popular movie, they've BEEN arrested! In fact, the whole picture takes place in a Maximum Security Prison. Why Hollywood suddenly decided to make a "Prison-Sports" film, we'll never know! But we suspect that it's just one more gimmick for showing off a certain sexy actor's chest hairs! Anyway, here is MAD's version of

THE LONGEST YARDBIRD

Hey . . . where are you going, Crude?

I'm going to slip into something a little more comfortable! Your CAR!!

You can't run out on me! I've supported you ever since you were a Pro Football Star eight years ago! You haven't worked a day since!

True—but I'm scoring more now than I did then!

You ungrateful pig! If you're leaving, give me back the money and clothes you took from me!

You crazy broad! WHAT CLOTHES??

My PANTY HOSE!!

Ooops! I didn't realize I was wearing yours!

Y'know, ever since that Joe Namath TV Commercial, these things have caught on with Football Players!

ARTIST: ANGELO TORRES WRITER: ARNIE KOGEN

Okay! So I **TOOK** the girl's car! And I **DROVE** 120 miles an hour through the city streets! And I **CAUSED** 7 pile-ups and crashes along the way! And I **DUMPED** the car in the river! So what? That was all **FUN AND GAMES!** There's nothing wrong with a little **FUN AND GAMES**, is there, Officers?

Not at all, fellah! So let's play **ANOTHER** game! Here—pick a card! Now, what's it say . . . ?

It says, "Go to Jail! Go directly to Jail! Do not pass Go! Do not collect \$200!" Y-you mean . . . ?

Right! You are under arrest!

Welcome to Grapefruit State Prison, Mr. Crude! I'm Captain Clobber! I'm working you over because I don't like what you've been doing lately! It's made me mean and ornery!

You mean stealing an auto and assaulting an officer?

No, I mean appearing on the "Tonight Show," and bragging about your sex life!!

One more thing, Super Star! Warden Hazard is a Football Freak! He's gonna ask you to coach our Semi-Pro Team! What's your answer gonna be?

Gosh! Coaching Football? I think I'll say "Yes!"

Come to think of it, I never cared much for Football! CHESS has suddenly become my favorite sport!!

Mr. Crude, I am NOT a very likeable guy! Even margarine won't talk to me! But let me also add that I am an ardent Sports Fan! Would you like a ticket to the BIG FIGHT?

Sure! When IS the big fight?

NOW!!! Unless you promise to coach my Football Team!!

Sorry! But I'll have to turn you down!

I want a National Championship, Mr. Crude! I—I NEED your support!

You can't HAVE my support, Warden!! I'm wearing it!!!

You're being very difficult!

Look... all I want is to do my time, make a few quips, and get out of here.

Okay! Maybe you'll change your mind after you've tried our program of rehabilitation!

Er—mine?

No... our SWAMP's!!

Hi, there! I guess we're—er—partners here in the swamp!

Better a swamp than a river! I remember how your "partners" ended up in "Deliverance"!!

Hey, you! Super Star! There's no talking here in the swamp!

Yeah, Golden Boy! And you better try to "slosh" a little more quietly, too!

Gee, the Guards really have it in for me!

And the PRISONERS aren't too thrilled with you, either! You're a—a DISGRACE!

I AM!?!? How come?

WE'RE only rapists and murderers! YOU once shaved points off a Football Game! That—that's—well, it's UN-AMERICAN!

Okay, let's drag them stumps, Super Star!

This ain't no Country Club, Lover! Move yer tail!

I can't take much more of this!

The hard labor getting to you?

No... the terrible performances! Those—those Guards are... unbelievable!

What can you expect from ex-NFL stars who were hired as actors?!

But they're God-awful!

We know... but who's gonna TELL em? You??

This is "Maniac" Morris!

He hacked his Mother into several pieces with a meat cleaver!

What's he in for . . . ?

Okay, sign him up! He's our Right End . . . !

This is "Tarzan" Finster!

He shot three women, stabbed two men and strangled a tractor!

What's HE in for . . . ?

Okay, he looks good! He's our Right Tackle . . . !

This is Harry "Monster" Shtarka! He's the most violent one of 'em all! He's been in Solitary for the past six years! They just let him out!

Right Guard!!

Is that his position?

No, tell him to SPRAY some under his arms! Six years in Solitary can make a fellow pretty tacky!!

Okay, Carefaker! In this drill, I want you to check the agility of each man! Hey, what's Tarz doing?

He's having a duel of wits with that tackling dummy!

Yeah . . . and he's losing!!!

They've got the strength and the agility! I'm worried about their intelligence! By the time they learn the plays, their sentences will be over!

What a crazy, warped bunch! You heard of the "Fearsome Foursome"? This is the "Deranged Dozen"!!

Dozen? There's only ELEVEN men on a Team!

I'm including myself! If I were "normal," would I be in Prison?!!

C'mon, you guys! You've been holding out, and we need you to win! So how about joining our Team?

If we do join what do we get?

Anything you want! Name it!

Jim Brown . . . to replace you in the leading role!

Okay! Now, we've stolen the X-rays and the medical reports and we know our opponent's areas of weakness and vulnerability, and we are going to PUNISH them in those areas by using brass knuckles and bandages dipped in plaster! Our two main plays are "Incidental Punishment After The Play Is Blown Dead" and "Kicking A Man In A Delicate Spot" . . .

Why are you doing all this, Crude?

I want to give you men some PRIDE and some DIGNITY . . . even if it's only for a few hours!

Hi! I came here for the game films!

Later! Right now, hurry up and get undressed! We only have 15 minutes!

Before the Warden comes?

No, before my hair explodes!

Gee! Making love inside a Prison! Isn't this just a bit unusual!

Between a man and a WOMAN it is!!

Man, if that Crude is our Quarterback, we are in big trouble!

How come . . . ?

He just threw the wreath into Carefaker's grave, and MISSED!!

Oh-oh!! Maybe he's shaving points at the funeral!

Okay, you men, I want a good, rugged game! I expect both the Guards AND you Prisoners to play your hardest! And, if the Guards win . . . they will get congratulations and glory!

And what if us Cons win! What will WE get . . . ?

An extra five to ten years!

Okay, guys! Here it is—Carefaker's final gift to you all—STOLEN UNIFORMS!!

Great!! Er . . . how do we know whose is whose?

Simple! The numbers each match your I.Q.'s!

And now . . . Ladies and Gentlemen, here comes "The Obscene Machine". . .

WIN, OBSCENE MACHINE! WIN!

YAAAYYYY!

HOORAY!

Will you listen to those cheers?!

Yeah! It's really hard to believe that a bunch of murderers, thieves and rapists are the "sentimental favorites"!

Remember years ago when G-Men, Cops and other Law Enforcers were the "Good Guys"!!?

How do you like that?! The game hasn't even started yet, and we're penalized twenty yards!

Really? How come . . . ?

During the Coin Toss, one of our players STOLE the coin!!

Okay, they're in a 3-2 Zone with the strong Safety deep and the Linebacker split left! It's a possible "blitz", but more likely a "red-dog"! To offset this very sophisticated defense, we'll use "Play Number Two!" Ready . . . GO!!

Here comes Bianco in with a play from the bench!

Okay, Bianco! What's the message...?

The break is at Midnight! Pass it...

Cut that dialogue out, Man! This isn't a CLICHE PRISON MOVIE!

It's MORE than that!

Yeah! It's a CLICHE FOOTBALL MOVIE!!

Mr. Crude... the halftime score is embarrassingly close! Just what do you think you're doing out there?

Playing my heart out for the crowd! Do you realize there are more spectators jammed into those grandstands today than all the people who saw "The Man Who Loved Cat Dancing"!

Mr. Crude, you will now proceed to LOSE this game... by 21 points!! I don't like being made a fool of! I had EIGHT YEARS of that playing opposite Eva Gabor in "Green Acres"!

I can't do that, Warden! The men trust me! They're irrepressible rejects from society—loveable misfits who are counting on me to lead them to Victory... to give them one small moment of dignity and pride and—

You'll dump this game, Crude... or you're looking at 20 years of hard labor!

Come to think of it, what do I need with a bunch of cutthroats, goons and sadists! But if I DO shave points, Warden, you gotta protect my men from VIOLENCE!

From the Guards?

No, themselves—when they want to kill me!

I think Crude sold us out!

How can you tell?

Well, he's thrown seven straight interceptions, he's fumbled six times... and he's calling our plays from the huddle!

What's wrong with that?

It's THEIR huddle he's calling them from!!

Looks like Crude is THROWING THE GAME!

So?! What are they gonna do to him... put him in Prison?! He IS in Prison!!

Our guys are gettin' KILLED out there, Crude! What kind of deal did you make?!!

Why, he double-crossed me! When I get through with him, he's gonna be the most humiliated Warden in the country!

You gonna go out there and lead the Team in a spectacular comeback?!

Worse! I'm gonna use my Show Biz connections to make sure Johnny Cash never does a concert in this Prison!

Okay, now I'm ready to lead a spectacular comeback! I'll play until I redeem myself!!

There ain't enough time for that!

Yeah! Some of us are only "LIFERS"!

Anyway, we don't stand a chance with Bigdunce as their Middle Linebacker! He's really creaming us!

Okay! Before we start our touchdown drive let's amuse ourselves while the clock is ticking away precious seconds! Let Bigdunce come through! We'll form a "V" Formation!

Don't you mean a "T" Formation?!

No, I mean a "V" Formation... for "VASECTOMY"!

Hey, look! Bigdunce is GROGGY! He's been HIT!!

WHERE was he hit? Let me put it this way! He started the game as a vicious Linebacker... he's leaving the field as a Pom-Pom Girl!

What a career! Ten years ago, he was "All-Pro"! Now, he's "All-Eunuch"!!

I've called you to the sidelines because Pat O'Brien isn't doing these movies any more! So I'm gonna make the speech that he would have made!

Fellow Teammates... Jocks... Sex Maniacs... and other lovers of Sports! We're four points behind, we're on the one yard line, and there are three seconds left! We've come too far to go back! So let's win this one for Carefaker, Scarbooboo and Groanville! I know you don't trust me because I once threw a game years ago—and I almost threw one today! But I'm begging! Let's win THIS ONE!

He can't break the habit! With that SPEECH, he just threw the PICTURE!!

You made it! You made it, Crude!!

Quick! Le'me up! I want to see the game films of this in the Warden's Secretary's Office...

Well, Warden! We lost! There goes your Power Theory! And LOOK... they're mobbing Crude! He's a HERO!!

He's a NOTHING, Clobber! And he's going to have 20 years in solitary to relish this empty victory!

Well... at least he'll always be remembered as a really fabulous FOOTBALL PLAYER... !!

You're wrong, Clobber! I'm afraid... no matter WHAT that man does for the rest of his life... he'll always be remembered for only ONE THING! He can never erase his PAST! Look... it's come back to haunt him again!!

REMAINDERS TO BE SEEN DEPT.

What is the best way to sell an unsaleable item? Make it look like a bargain! Most people can't refuse a bargain, and will gladly fork up the 40% necessary to take advantage of the 60% off sale price, despite the fact that the item isn't worth 10% to begin with! Book publishers, well aware of this phenomenon, have flooded the mails and media with ads, brochures, and book club offers designed to empty their turkey-filled warehouses with ads like this...

PUBLISHERS CLOSEOUT SALE

Many of these books are selling for as much as 40% or more off wholesale prices, 60% or more off retail prices and 100% or more off author's royalties.

2345. THE FRENCH HORN AS A PERCUSSION INSTRUMENT. By Ira-Schmidt Von Coward. In this musical thesis, Dr. Von Coward proposes that the French horn should be struck rather than blown in order to produce its best sound. 342 pp. Illustrations 64 pages.

3427. FROM ARTHUR TO WASHINGTON, Or, The Presidents Alphabetized. By Dr. Asa Inglefinger. Here for the first time is a handy reference booklet of United States Presidents listed according to the alphabet. (Previously, they've been listed chronologically, necessitating page-fumbling and lost time for readers.) Dr. Inglefinger, who teaches American History and Enemy Aircraft Recognition at Stanback University, defends his filing Martin Van Buren under "B" instead of "V" in a remarkably strident preface. 98 pp.

3786. OYSTER SKETCHES OF OTTO TANTREP. Edited by Carlo Maria Hamburger. Otto Tantrep (1884-1972) was one of the world's most eccentric artists in that he drew nothing but oysters during his entire career. He worked in a variety of interesting media, however, in addition to standard water colors and oils—e.g., soap-on-insulation board, chalk-on-liver, and icepick-on-styrofoam. All of these media have been brilliantly reproduced on lovely two-color pages. 12 illustrations, 64 pp. with an introduction by Pinkerton Hanoi.

3459. A HISTORY OF MASKING TAPE. By Hunrith Slough. Historical explanation of a hitherto-unmentioned topic. In this book, Mr. Slough dramatically describes what World War II might have been like without masking tape. 398 pp. Index. Plain jacket.

3455. SINGLE-FLAG SEMAPHORE. By Lt. Commander Upton Deftt. "Semaphore code is a very useful means of communication," Commander Deftt points out in his preface, "but what would happen if you lost one flag, or even worse, an arm?" To fill this void, Deftt has devised an emergency system of single-flag semaphore code. His written description of the positions, in the absence of illustrations, is adequate. 829 pp.

3428. FROM ADAMS TO WOODROW, or The Presidents Alphabetized. By Dr. Asa Inglefinger. Second edition of his earlier book, with several minor errors corrected. 102 pp.

3334. COWCATCHER FATALITIES ON THE NEW MARKET-EAST WESTOVER-FAWNS-BREATH RAILROAD, 1843-44. By Clifford Graft. Never before published report on a series of railroad mishaps which baffled government officials for hours. 1002 pp.

4543. THE ANTHILL PHOTOGRAPHS OF PARDO LOMOTIL. Edited by Dudd Casper. Without doubt, Pardo Lomotil, before his untimely death in 1963 from underexposure, was already firmly established as the world's finest anthill photographer. This book does nothing to refute that fact, in one way or the other. 98 pp. No illustrations.

2345. INCA TEMPLE ADMISSION PRICES. By Targe O'Malley. In this volume, Professor O'Malley offers the suggestion that the Inca Indians operated their religious services on a commercial basis, with a graduated scale of prices for the natives. 636 pp. 76 fold-out illustrations.

3980. DAYLIGHT SAVINGS TIME AND ITS EFFECT ON MOORISH TRADITION. By Largo Albert Factotum. A provocative study from which Mr. Factotum, an associate professor of Laundry Science at USC, draws some startling conclusions. 329 pp.

3334. WAIST SIZES OF BYZANTINE EMPERORS. By Hugo Uruguay and Olga Myhan. Through an ingenious and painstaking examination of ancient writings, old paintings, engravings, and contemporary supermarket gossip, Mr. Uruguay and Ms. Myhan have succeeded in nailing down the waist sizes of more than ten centuries of Byzantine rulers. "How much difference does this make to the average American?" asks Uruguay in his preface, then follows with an incisive response: "It makes a lot of difference, that's how much!" 120 full-page illustrations, 96 pp.

5654. A CENTURY OF ARM RESTS. By Carlo Glugetti. A fascinating historical examination of arm rests, from the earliest models in Wells Fargo stagecoaches to prototypes developed and used by General Motors. 36 illustrations, 57½ pp.

3349. THE LAYMAN'S HANDBOOK OF ESKIMO PIANO MUSIC. By Wolfson Cantalupo. Never-before-published sonatas of Eskimo composers, whose distinctive musical style results from their wearing mittens even while writing music. 87 pp.

4528. THE SPANISH MAIN, by Horatio Chapi. Not an old sea story, as the title suggests, but the nearly-as-exciting biography of a Spanish sewer maintenance employee. 412 pp. with underground maps of Madrid and Barcelona.

3429. FROM ADAMS TO WILSON, Or, The Presidents Alphabetized. By Dr. Asa Inglefinger. Third and final edition of his earlier books. 104 pp.

2235. ROC ON THE TELEGRAPH LINE. By Ezra Pagloomer. We all know what a common sparrow looks like perched on a telegraph line, but have you ever wondered what some extinct birds would look like if they were still around today? Mr. Pagloomer, in response, has taken 113 extinct birds and painted them perched on lines extending from modern utility poles. Includes such interesting species as the roc, albatross, passenger pigeon, robin, dodo, and lavender skink. 212 pp. 116 illustrations.
